

Yuba-Sutter Farm Bureau & Yuba-Sutter Fair
are proud to partner together for the:
19th Annual Farm Day
Friday, September 27th, 2024

Presenter Request Form

Farm Day is our annual event where 1,500+ local third-grade students, teachers, and parents, visit the Yuba-Sutter Fairgrounds for a fun-filled day of learning all about agriculture. Farm Day provides educational exhibits (equipment, livestock, and crops) and demonstrations geared towards teaching our local 3rd-grade students the important role agriculture plays in our lives. Farm Day provides basic and current facts about the agricultural industry, allows students and teachers to become familiar with food and animal production, and allows personal contact with farmers. Our goal is to increase awareness of agriculture's positive contributions to our local community and economy.

This is where we need your help! Hands-on learning, including touching, smelling, etc., is very valuable and effective; it's like show and tell for our industry. Farm Day will be from 8:30 am - 12:00 pm. Help us plant the seeds of knowledge. Let's educate third graders and support Farm Day! If you, your group, or your company does not have a way of helping, please send us the name or contact details of someone who might be able to help us with Farm Day!

For more information contact the YSFB office by calling 530-673-6550 or email at ciera@ysfarmbureau.com.

- We would like to educate about agriculture **production/processing** at Farm Day.
- We would like to educate about our **equipment** at Farm Day.
- We would like to educate about our **animals** at Farm Day (will bring live animals).
- We would like to **volunteer** our time to help make this event a success.
- We are unable to participate during Farm Day but would like to send **information/products** for the teachers and students to use during class time.
- We are unable to participate, but enclosed is our check for \$_____ to help Farm Day.

Yuba-Sutter Fairgrounds

Presenter Guidelines

- Use the livestock gate on Franklin Road to drive onto the fairgrounds for setup and takedown. We ask that all volunteers park in the RV area or in the grassy area East of the beef barns once setup is complete.
- As you enter, check in with staff at the gate and pick up your map to determine where your booth is located.
- Presenters can begin setting up as early as 7:30 a.m. Setup should be completed when students begin arriving at 8:30 a.m.
- Schools are arriving/departing at any time during 8:30 am and 12:00 pm.
- Each presenter has an assigned space on the fairgrounds. Feel free to adjust tables and chairs and livestock panels as needed. Please be courteous to other booths and stay in your assigned area. Don't spread out too much.
- If you are bringing animals for your presentation, be sure to inform the children if they can or cannot touch the animals and when to do so. Please remind them to wash their hands before eating and leaving the fairgrounds.
- Complimentary water and snacks will be provided at the Volunteer Area (picnic area) near Franklin Hall. Lunch will also be served for volunteers from 12:00 pm to 12:30 (picnic area).
- There is not a time requirement for your presentation. Please, however try to keep it between 8-10 minutes per class.
- Students will be led around Farm Day by their teacher.
- Teachers are responsible for student discipline. If any student or school is acting in an inappropriate manner, please report this behavior to Farm Bureau staff.
- Presenters can begin taking down their displays by 12:00 pm. Everything must be removed by 2:00 pm!

Thank you for volunteering your time!
